

THE HORTICULTURAL SOCIETY OF SOUTH JERSEY meets once a month at the Cherry Hill Community Room located at 820 Mercer Street, Cherry Hill, New Jersey.

Meetings are held the second Tuesday of each month from September through June from 7:00 pm to 10:00 pm. Come to a meeting as our guest.

Membership is open to anyone with an interest in and appreciation of general horticulture. We have members at all levels of experience, from beginner to expert. The purpose of the Society is to further the horticultural knowledge and interests of its members and the public.

Plan to come early to meet some of the members and to talk about plants.
